GET THE BEST WIG IN THE WORLD for Only $19.95

European Quality 100% Human Hair
You Get Your Money Back if not satisfied.
You be the judge – No questions asked.

Perfected by the oldest and largest wig maker in the U.S.A. – to give you the wig buy of a lifetime.

Let us repeat again what you get: The Best Wig in the World for only $19.95. Made of 100% European Quality Human Hair. Now you may not believe this is possible, but it is.

Ever get a sales talk about how good a wig is: the hair, the workmanship, etc. They have a good sales talk, so you buy. Then when YOU GET THE WIG HOME AND TAKE A SECOND LOOK, IT JUST ISN'T WHAT YOU WERE TOLD or thought you saw.

Now it's to get your money back – just try.

No Refunds or Exchanges. "If the wigs they sell are as good as they say, WHY DON'T THEY GIVE YOU YOUR MONEY BACK."

Nevertheless you're stuck with it. You either won't wear it – it makes you feel too uncomfortable and be unhappy, and OUT PAY A LOT OF HARD EARNED MONEY.

THE BASIC IDEA IS THIS:
To Save money now and GET MORE BEAUTY and PLEASURE LATER.

Quite frankly, it took a lot of time, work and untold dollars to develop and perfect a BETTER WIG THAN ANY THAT CAME BEFORE. That in itself was quite an achievement.

But that wasn't enough. We had to make sure that you could restyle THE WIG ANYTIME you want, not have to spend money each time you want it "reset." We succeeded and that in itself was ANOTHER GREAT ACHIEVEMENT.

There had to be more improvements. The hair has to look natural, AS THOUGH IT IS GROWING FROM YOUR HEAD. The cap has to have form and be shaped so that it will fit over your own hair, not give you a headache or creep up and off your head. These and more are done but they WOULD MEAN NOTHING UNLESS you could afford to buy one.

NOW EVERYBODY CAN AFFORD, not just a few, THE BEST WIG IN THE WORLD. Now you can buy the wig that will save you money in long as you want. Now it is possible to have a wig that you can MAKE LOOK LIKE NEW anytime you want and it WON'T COST A PENNY. Be sure you send for it. It's easier than doing your own hair, faster and more convenient too.

WIGS COME FOUR WAYS:
Good, Bad, Worse and Awful AND PRICE DOESN'T MEAN A THING.

IT'S A FACT, price has nothing to do with the quality of a wig. WIGS ARE "BLIND ITEMS." Stores charge what the traffic will bear. People who don't know can't tell a good wig from a bad one. That includes those selling them. YOU MUST DEPEND UPON AN HONEST EXPERT. We don't mean an expert salesman. We mean an expert wigmaker.

Let's look for a moment into why WIGS ARE A "BLIND ITEM." We will list only some of the things that spoil the majority of wigs.

Improperly processed HAIR THAT LOOKS DULL, is DRY and BRITTLE and breaks off. Hair that won't set. VERY SHORT HAIRS MIXED IN so you get skimpy styles and the short hairs stand on end.

Colors that are unnatural, uneven and streaked. Colors that run and fade, that bleed more and more each time it's set and rubs off on your face, neck and clothes.

Poorly secured hair so that it Combs Out, Falls Out and Pulls Out. You'll get strands in the sink.

The foundation or cap wrongly proportioned. Too large or Small. Too Deep or Shallow. Wrong netting, no give, too heavy, too thin, shrinks or stretches out of shape. Tears out easily. Too hot, too stiff or too soft.

With all these things and more, that can be wrong with a wig, IT'S A MIRACLE THAT YOU CAN GET A GOOD WIG no matter what you pay or where you get it. The answer, of course, is to BUY A WIG FROM PEOPLE WHO REALLY KNOW.

YOUR SEARCH FOR A WIG ENDS HERE. WHY?
You have nothing to lose.
EVERYTHING TO GAIN.

If you never bought a wig before because of the cost. Or you saw so many you wouldn't be seen in. Or you heard about the expense of upkeep. Forget it. You can now get the BEST WIG IN THE WORLD for only $19.95 with no upkeep costs at all. You do it yourself in minutes. It's easier to do than your own hair.

If you bought a wig before you'll see that it was totally unnecessary to spend what you did. And did you ever stop to figure out what it costs to keep it looking right? The price is small, but it adds up in the closet. THE BEST WIG IN THE WORLD costs only $19.95 and you won't have to spend another penny to keep it looking right.

Consequently, your search for a wig ends here because you can't get a better one. How could you? It's THE BEST WIG IN THE WORLD. Order yours today. You have nothing to lose and everything to gain.

CHOICE OF 100 COLORS
Each Hand Matched.
NO EXTRA CHARGE WHATSOEVER.

Even at this price you are not limited to few colors. You have the choice of over 100 standard & international colors. Here are the most popular of the over 100: Velvet Black, Off Black, Dark Brown, Sable Brown, Coffee Brown, Chestnut Brown, Dark Auburn, Sparkling Auburn, Copper tone, Champagne Blonde, Ash Blonde, Eleven Blonde, Platinum, Salt & Pepper. If uncertain of the color, just send a color sample of the hair we will hand match it for you.

This is the Final Step to Make Sure That You Get the Best Wig in the World in Every Way.

This is only one of many, many styles you can easily make yourself. ONE REASON THIS IS THE BEST WIG IN THE WORLD, AND LOOK IT.

BEAUTICIANS PLEASE NOTE

Most women would rather get their wigs from you, if they could afford it. Now they can, if you sell THE BEST WIG IN THE WORLD.

You buy direct, not from a beauty jobber, whose normal markup is 40%, so you must charge a lot more. You'll get more customers.

Never sold wigs before? Gave up because they're more trouble than they're worth? Write us and increase business not complaints.

The Best Wig in The World was designed for short coifs which account for over 85% of the hair styles. However, if you wish longer hair you may have it. Longer hair costs much more so we must charge more. It is THE BEST WIG IN THE WORLD with longer hair. Still a best buy.

Medium ..... 32.50 Long 44.95

Don't buy these if you want a short hairdo. You'll be spending more than you need to.

YOUR ASSURANCE OF GETTING THE BEST WIG IN THE WORLD.

The Eenies

Picky The Pickeral

"You told me we would have a very pleasant day in the country," sighed Jeenee." And here we two sit at the side of this stream and all you do is to try to catch fish. Maybe you aren't using the right kind of bait."

"The man sold me an imitation worm and said it ought to catch a lot of fish," replied Beenee." Maybe the fish are smarter than we are. Or maybe I got a hole in my head."

"Two holes in your head," smiled Jeenee." One is to let the little brains you got just fall out. And the other is probably for ventilation."

"Talking about worms reminds me of an old saying," interrupted Frankee. "My grandfather used to say that the early bird gets the worm. But the more I think about it, the more I am convinced that it just doesn't make sense. Think of that poor worm. He got up early in the morning. Maybe his grandfather told him that the early worm got something that worms eat. But what happened to him? He was caught by a bird. Now if that worm only had enough sense to just keep on sleeping, he would not have been caught by the bird."

"I guess people just repeat a lot of things and almost believe them," said Jeenee. "My grandmother told me that early to bed, and early to rise, makes you healthy, wealthy and wise. And then my uncle said that late to bed and early to rise gives you rings under your eyes. I don't want to get up early in the morning; I want to be beautiful; and I only want rings on my fingers."

"I am sick and tired of hearing people saying things that they really don't understand," added Margee. "My cousin was running and then he stopped. I asked him why? So he told me he stopped to catch his breath. Does that make sense? If he was running then I figure he was trying to catch his breath. Somehow it just got away from him. But when he stopped, it is logical he wasn't going after it. So how could he catch it? And maybe if he got a whiff of it and found it was bad breath then he would be sorry he caught it. So there you are."

"What about yourself?" objected Beenee. "You just said you are sick and tired. How do you know you are sick? Have you any fever? Do have a pain in your stomach? Do you go to see your family physician? Did he tell you that you were sick. And then you say you are tired? Impossible! You are sitting comfortably with us and resting. So you can't be tired. In fact you just can't be sick and tired. When I hear such a dumb remark I want to jump out of my skin."

"That I would like to see right now," insisted Jeenee. "I will count one, two, three. Then right in front of us you go ahead and jump out of your skin. I am trying to imagine how you would look without your skin. I figure we would all get scared. So do us a big favor. Just stay in your skin."

"Stop all that nonsense," shouted Picky The Pickerel who stuck his head out of the water. "You are annoying us fish. We are holding a protest meeting. We don't like the idea of people fishing with imitation worms to fool us. So we figure if you want to fool us with imitation worms we have an equal right to fool you with imitation fish. We are going to order 100 paper fish. And we will put them on the hooks of fishermen who think they can fool us."

"You are 100% correct," shouted Margee. "What is sauce for the goose is sauce for the gander."

"What are you talking about?" asked Frankee. "How do you make a sauce for a goose? Who wants it anyway? Does the goose want it? And do you give the same sauce to the gander. I don't even know what a gander is."

"How ignorant can you people be?" said Picky the Pickerel. "Every fish knows the answer. A gander is the male of the goose. But if you spell it with a captial letter, then Gander is an airport in Northeastern Newfoundland on the great route circle between New York and Northern Europe.

"That fish is smart," interrupted the voice of Willie The Warden. "But you aren't so smart. Look at that sign over there. It says, No fishing." "Sorry, Mr. Warden," smiled Beenee. "The sign says, No fish. Maybe somebody changed it. So it is legal for us to fish where there aren't fish. Because if you are informed there aren't fish, and you fish, then you legally can't be fish in

HEAVY LEGS

Try this new, amazing, scientific home method to

REDUCE HIPS, THIGHS, KNEES, CALVES, ANKLES for SLENDERIZED LEGS

TESTED AND PROVEN METHOD — ONLY 15 PLEASANT MINUTES A DAY!

This most encouraging news for women with fat, flabby legs was revealed by Henry Milchstein, M.S., Ph.T. If your legs are heavy due to normal causes, you should try to attain the slender, alluring legs you've always wanted. This well-known physiotherapist was President of the Metropolitan School of Physiotherapy. His record is enviable in helping lovely stage and screen actresses as well as women like yourself to mold beautiful legs. Over a period of over 30 years, he used an amazingly natural method which is unsurpassed by anything we have ever seen.

Thousands gladly paid high fees for his personal instruction here in New York City. Now it is possible for any woman to try this famous expert's method, requiring only 15 minutes a day, right in the comfort and privacy of her own home at a tiny fraction of this cost.

How Your Individual Heavy Leg Problems Can Be Corrected By this Method

The Secret of Leg Slenderness

The muscles of the leg come close to the surface of the skin. The outward appearance of your legs depends on the condition of those muscles, just as wrapping paper gets its shape from the item it covers. When fatty layers and too much muscle tissue cause these leg muscles to stretch and bulge, your legs will show that condition in the form of a heavy flabby uneven shape. But when this scientific method breaks down the fatty layers and reduce the extra muscle tissue to normal, the legs will be firm, slender, and shapely. This Scientific Leg Slenderizing Course concentrates on the leg muscles of each section of your legs—hips, thighs, knees, calves, ankles — and shows you how to condition these muscles to reduce them to their proper normal size. That's why LASTING IMPROVEMENT MUST come through scientific leg muscle normalizing. Since your leg is made up of interconnected muscles you must normalize the entire leg's muscles to slenderize even one part of your legs.

HEAVY LEG Sections That Need To Be Slenderized
NORMAL LEG Sections We Aim To Achieve
Unsightly, bulging hips are often due to fatty layers and too much muscle tissue that stretch muscles surrounding the hip due to lack of enough activity.
Bulky muscle tissue and fat on outside of thigh cause fat, ripply, lumpy appearance here.
Bulging stretched muscles overemphasize the knee, give a lumpy, swollen, ugly appearance to middle portion of legs.
Too much muscle tissue here causes calf to look fat and awkward.
Fat, ugly ankles caused by improper muscle normalizing make hose and shoes look ill-fitting and and tight.
After scientific slenderizing is attained, hip muscles become firmer, giving hips a better feminine shape and attractive lines to all clothing and allows entire leg to acquire slender, graceful curves.
Loose, fatty layers here cause embarrassing flabby, uneven, ripply contour.
By following this special system, the extra muscle tissues here are helped to reduce, giving a smaller, trimmer appearance to this area.
Graceful, well-formed ankles which we aim to mold by proper scientific training to catch any man's eye.
This scientific technique tends to normalize muscles and break down fat to give this area slimmer, more normal, more alluring look.
Normalized muscles around knee continue slender, attractive line of leg from thigh to ankle.
These specialized methods tend to reduce these excessive muscle tissues into the slender, truly feminine calf contours you want so badly.

Ordinary Methods Found to Help Little in Slenderizing Heavy Legs

Many women engaged in improper strenuous exercises and calisthenics used up a lot of time and energy but it did next to nothing for concentrating on trimming down heavy legs. Other women actually tried reducing diets alone to slenderize heavy legs. Since a weight reducing diet cannot be made to take weight off any single part of your body, you may lose weight everywhere but in your legs. And if your legs lost a little weight, no drug or diet can normalize and firm the entire contour, which would remain flabby. This method does concentrate on slenderizing each section of your legs from the hips to the ankles.

A Technique Based on Years Of Professional Experience

This progressive scientific method for slenderizing heavy legs is based on the knowledge and experience of professionals including physiotherapists and famous body contour experts throughout the world. HEALTH CULTURE Magazine asked this authority on legs to write a series of articles on the fundamentals of this method so that their readers learn about this wonderful technique.

Stronger Slender Legs Help You Dance, Swim, Play Sports, Walk, Stand, Wear Clothes Better!

Because the legs are the one part of the body which always show, glamorous legs help the appearance of your entire figure in any clothes you wear — dresses, skirts, sports and play clothes, bathing suits, etc.

Well formed, firm legs help you to be a more desirable dance partner and do the latest steps more gracefully. They enable you to swim, skate, bowl, play tennis, etc., with more ease and better form. They help you walk and stand with ease and poise at work or play with less fatigue even when on your feet a great deal.
